

MGPS Digital Competition Entry Rules

Images must be submitted no later than **9pm the Monday** prior to the print entries being due, ie 2 days before, for due dates and subject definitions see <http://www.mgps.org.au/act.html>.

- **The email message:**
 - Required content of email message
 - What competition grade you are entering A, AB or B grade
 - For each image that you have attached, list on a **SINGLE** line and separated a few spaces
<the image file name> <the image title>

Example email message content:

A033_BFinch22.jpg	Blue Finch #22
B033_RDSally.jpg	Red Dress Sally
C033_BBetty.jpg	Black Betty

Note: Please do not enter any blank lines between the image descriptions.

Adhering to the naming scheme will ensure that the images sort into open and set, and that peoples images are mixed up a little i.e. all the A entries by compNo, then B entries ... This will ensure that the order of images in the slideshow matches the list supplied to the judge (And just in case something goes wrong, the filename is also displayed on the image as well).
